**A Long-life prayer for Kyabje Chadral Sangye Dorje Rinpoche :**

༄༅། །ཨོ་སྤྱི་སྤྱི། །ཨོ་རྒྱལ་རྗེ་འབངས་ཚོགས་ཀྱི་ཐུགས་རྗེ་དང། །སློན་ལམ་མཐུ་ལས་ལེགས་འབྱུངས་དཔའ་བོ་ཆེ།

By the compassion and power of aspirations of the Guru of Uddiyana  
(Guru Padmasambhava) and his retinue ( twenty-five close disciples ),  
Intentionally born as you, Sangye Dorje, the great Hero,  
May your Lotus Feet be firm for hundreds of aeons,  
Any may your great waves of taming beings and of enlightened activities expand  
and flourish!  
(Written by Kyabje Chadral Rinpoche himself at the request of Wangchen Palmo.)

With the permission of our noble Spiritual Master, we have written this short life story of the activities and qualities of our Lord of Refuge on the basis of what we have seen and heard, which is just like a drop of water in the ocean. If there are any mistakes on this work, we sincerely ask for Rinpoche's forgiveness of our sins. And if there are any slightest merits to be gained from this, these are totally dedicated to the health and longevity of Kyabje Chadral Rinpoche which is our most sincere wish! We earnestly offer our longevity to our Noble and Holy Master and pray that Rinpoche will mercifully accept this for the sake of all pitiful sentient beings in the Samsaric ocean of sufferings. For those of us who are Rinpoche's most humble and devoted disciples, this short account expresses our true nature, which serves as a seed of faith and devotion, and we pray that this will be meaningful and beneficial to all our motherly sentient beings, as limitless as the sky!
